

Sell tickets without commissions.

A next-generation platform for organizers.

Hot audience, 0% commission, and effective sales tools.

0%

All profits are yours.

0% for acquiring.

Set the price at 100,000 sums and receive exactly 100,000 sums.

0 sums for CRM.

No subscription fee for using the platform.

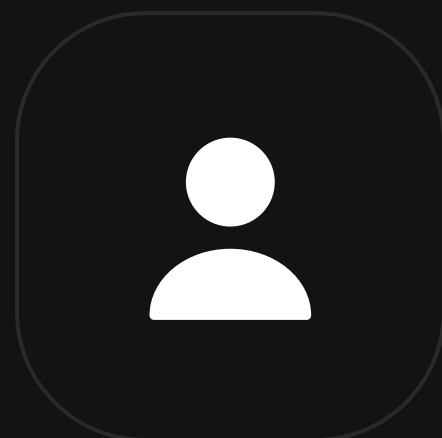

How do we earn?

Our model is transparent: a small service fee from the buyer for convenience and company search. Free for businesses.

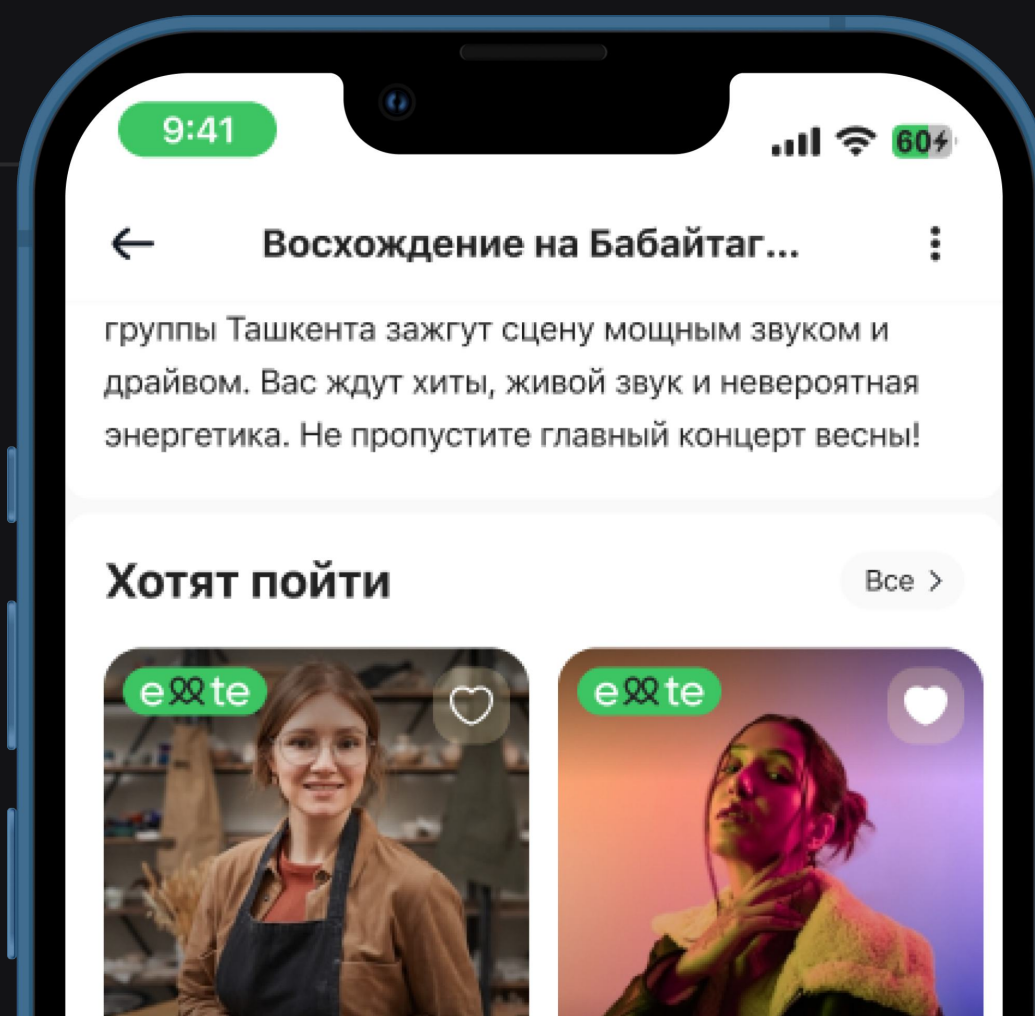

We attract people, not just sell tickets.

High demand.

An audience looking for events today.

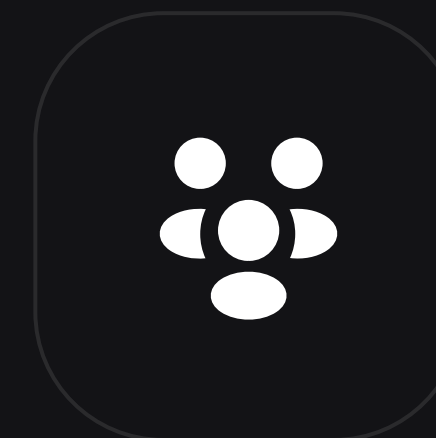

One ticket.

Smart recommendations.

Algorithms match events based on interests.

From three to five tickets.

Social matchmaking.

We solve the problem of 'who to invite' by matching companies, which increases your average check.

From aggregator to partner.

Traditional ticket offices:

✗ Commission from 5% to 15%.

Tickets are sold at a higher price, and you lose part of your profit.

✗ Passive showcase.

They just wait for traffic while you spend on advertising.

✗ Single sales.

On average, 1-2 tickets per person, no audience engagement.

✗ Paid acquiring.

You pay bank fees for transfers.

Taneesh:

✓ 0% commissions and markups.

The client sees a fair price, and you receive 100%.

✓ Active traffic.

The platform generates a hot audience for today.

✓ Group checks (three times more).

Social matching encourages buying tickets for the whole group.

✓ 0% for acquiring.

We cover all bank transaction costs.

Admin panel and access control.

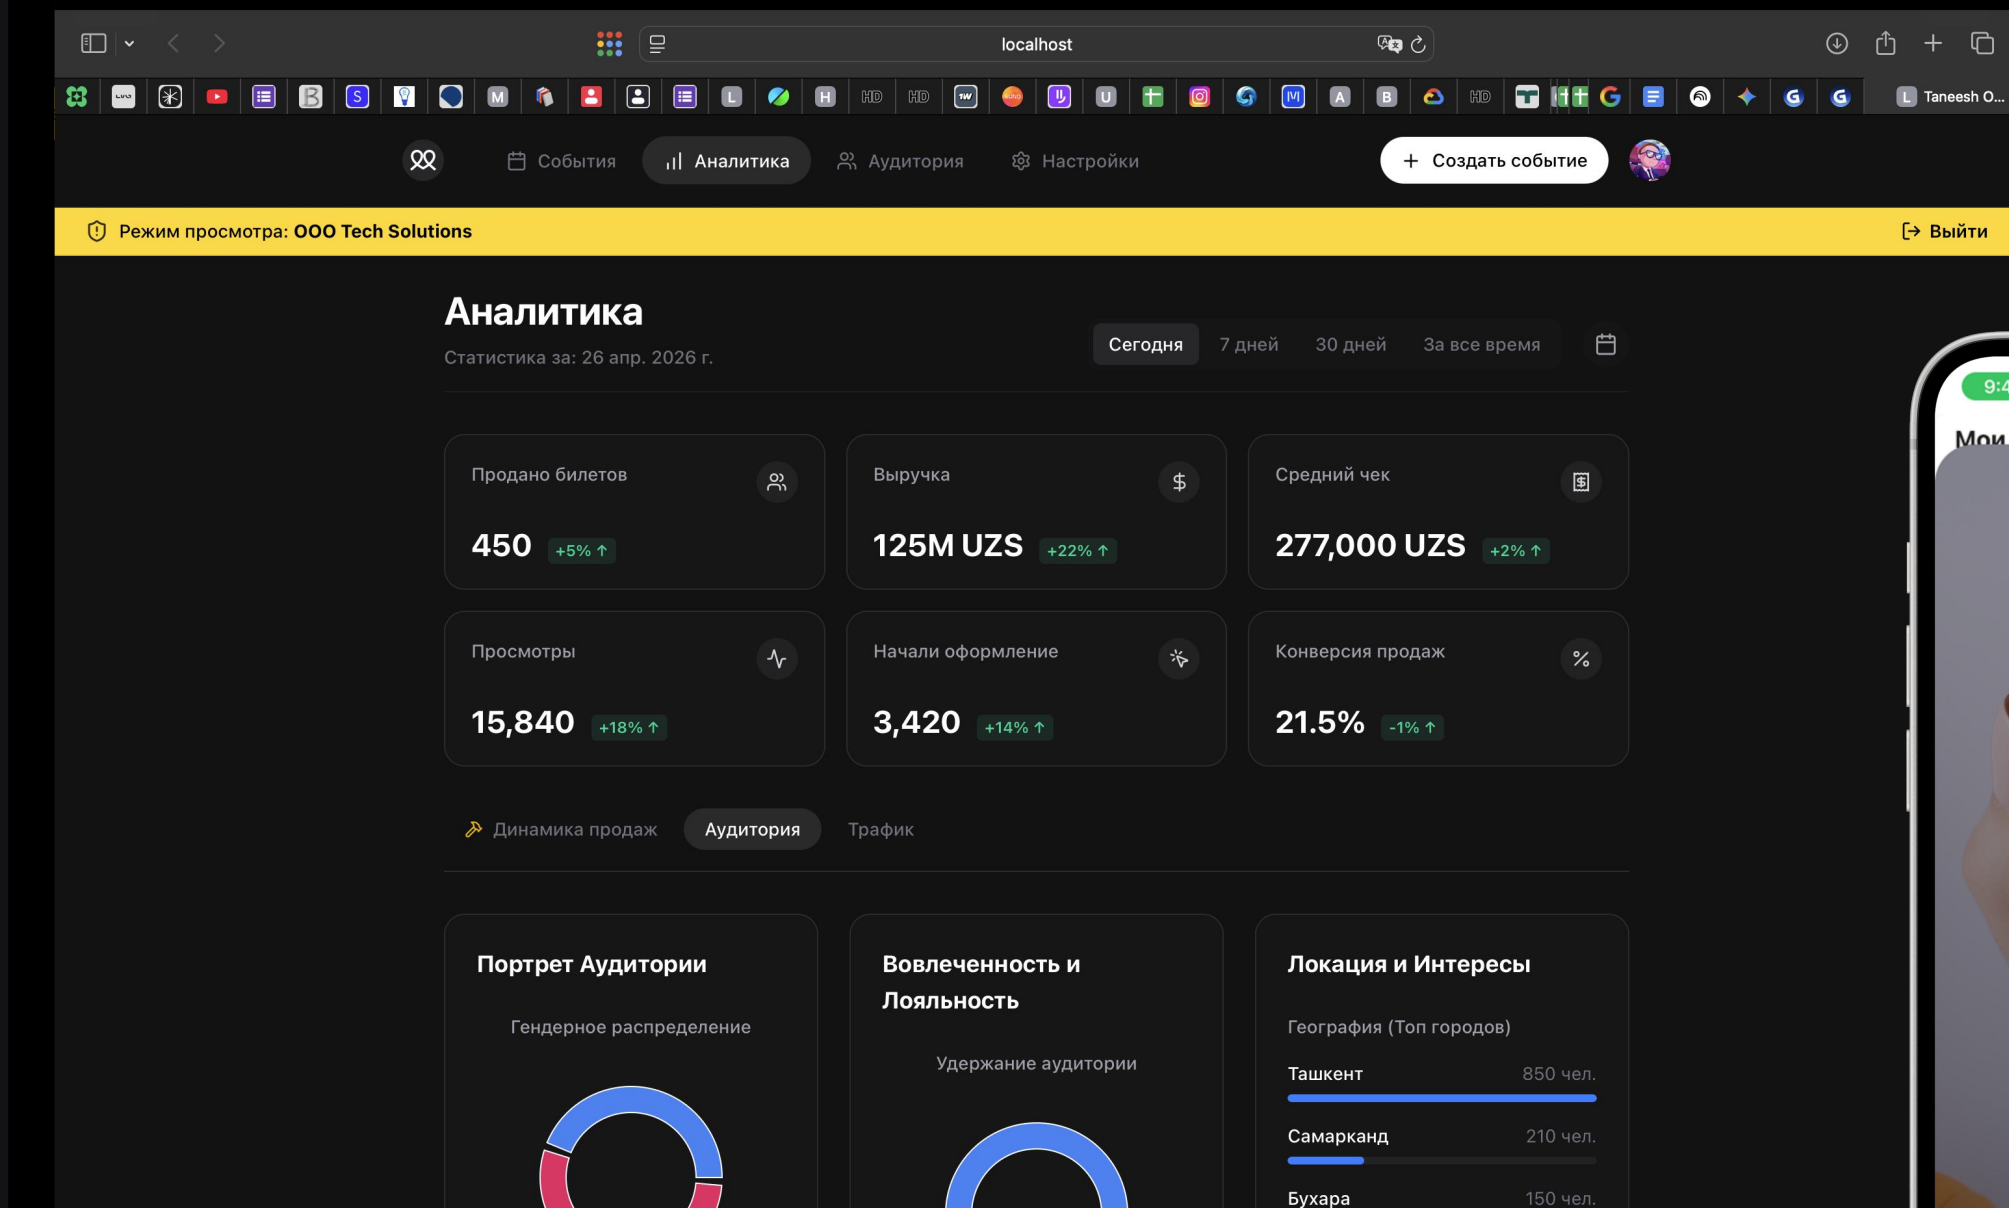

VIP invitations.

Direct sending of free passes to partners from the personal account.

Client management.

Creating events and tracking sales and returns in real time.

Smart scanner.

Instant ticket reading and tracking entry statuses.

Your personal showcase and smart link.

Smart link available.

A single link for Instagram, Telegram, and ads.
